

COVID-19

Due to the current challenging circumstances and in line with the Government's policy on social distancing and after taking the advice of our governing body (GCC) and the British Chiropractic Association, the clinic will be closed from the close of business today (Monday 23rd March) until further notice. Our duty of care must be to the safety of our patients, their families and our staff at this difficult time.

All telephone calls and emails to info@highfield-clinic.co.uk will be monitored during our closure and a chiropractor will be available for advice and support during this time – just leave a voicemail message with your contact details and we will get back to you.

We are also looking to set up a Highfield Chiropractic Clinic Facebook page in the very near future – so keep an eye out for this, where we can put any news items and also some hints and tips to keep you healthy both physically and mentally. This Facebook page, together with our website, will have information as to when we are able to reopen the clinic.

We thank you so much for the wonderful messages of support we have received and would like to thank you all for your continued loyalty and understanding during this difficult time and wish you and your family good health now and in the future.

Keep safe and take care of each other.

Andrew, Louise, Ian, Nathalie, Rebecca and Angela
